

FOR IMMEDIATE RELEASE

Total Learning Centers Demystifies Your Child's evaluation report.

Greensburg, Pa. – Carol Utay, Ed.D, Co-Founder and Executive Director of Total Learning Centers will present the topic: **Everything you wanted to know about your child's evaluations but were afraid to ask.** Dr. Utay will offer solutions for parents with questions about their child's independent evaluation or IEP, so that they can confidently participate in IEP development and team meetings. "Parents want to learn", Dr. Utay, says. "Understanding the evaluation and knowing what to expect at the IEP team meetings will empower parents to become capable advocates for their child."

Parents often struggle to understand the evaluation role in IEP development. Parents need to learn how to interpret their child's evaluation so that they can fully participate in their child's education plan. This presentation by Total Learning Centers will meet parents where they are with clear communication and no jargon, and help them move toward a more proactive role in their child's education.

Parents are encouraged to attend this informative presentation to be held at the ARC in Westmoreland County on October 5, 2011 from 6:30-8:00pm. If you are unable to attend but would like more information about educating your child, please call Total Learning Centers at 724-940-1090 and speak to one of our education specialists.
