

Dear Total Learning Center

Thank you for being here! The entire staff was so encouraging, helpful, and nice to me during my time in the FACE program. For four years I tried tutoring, summer school, and even spent time in learning support. I was ready to think that it was me, until I came here.

Your program has given me so much confidence in myself, that, I signed up for jr high football, and I'm doing pretty well.

Even though I am not happy to be going back to school, it is not

because I'm afraid I won't do well
in my studies, I would recommend
Total Learning Center to moms and
students who have tried so many
other traditional ways to improve
grades and confidence —

Thank you again
