

Dear TLC staff,

My purpose for writing this letter is to thank you for all of the help you have given me. All the staff is friendly and just wonderful to be around. I am a senior at North Hills High School. This is the first semester I have ever made the honor roll in my life, and I owe it to TLC.

Attending my sessions on Monday really got me thinking about my studies. Learning is starting to come easier to me, and that's a plus because of my learning disabilities, ADD and ADHD. I am glad my mom's boss pointed you out to me. I don't know where I would be without you.

I would like to give special thanks to the people who personally helped me. For example, Mrs. Ewing, Amy, Yvonne, Nathan, Shauna who tested me, Tracy, and especially, last but not least, Carol Utay have all helped me in countless ways. Well, once again, thank you for all your help and support!

Sincerely,
